The Nutrients Your Body Needs

Get Your Fruits & Veggies Everyday

Did you know that, according to the US Department of Agriculture, only nine percent of us are getting the recommended five to nine servings of fruits and vegetables we are supposed to be getting each day? In this fast-paced world it's not easy to eat as healthy as we should. Fortunately, there is a way you can take control of your life and your health with 360 Fruit & Greens. Today's hectic lifestyle puts strain and stress on our bodies. To get more energy and feel better, give your body what it needs by choosing 360 Fruits & Greens - the best-tasting multi-nutrient formula found anywhere!

Our super multi-nutrient Fruits & Greens is one of the most complete energy sources and nutritional food supplements on the market today. It is formulated to provide the body with the proper nutrients it craves, as well as minerals that are essential for the body to function at peak capacity.

Our formula contains wholesome nutrients such as barley grass, vegetables, fruits, and antioxidants that are uniquely blended to allow all the nutrients to interact with each other and regenerate the body. No other product has the synergy of all of these nutrients with such a great taste. It took the best of science and nutrition to design Fruits & Greens.

Fruits & Greens is your supreme, all-in-one nutrition source. Here are just a few examples:

- IMMUNE SYSTEM**
 Wholesome food spectrum and nutrients (green tea, herbs, barley, and more) support the immune system, and boost overall health and energy.*
- HEART & CIRCULATORY SYSTEM**
 Nutrients and antioxidants (such as oat grass) help maintain a healthy circulatory system and help arteries maintain flexibility and health.*
- BRAIN HEALTH & MENTAL CLARITY**
 Antioxidants, nutrients and herbs support brain function and clarity of thought.*
- LIVER**
 Grains and nutrients help cleanse your liver, skin, and body.*
- EYES**
 Carrots, tomatoes, and more support healthy eyes.*
